NEONS

The floral collection, available in Neons. This collection is an exciting and bold burst of colour, creating a powerful statement by using striking finishes.

Inspired by the bright, solid colours seen in pop art, the three dimensional flower designs are translated into a fresh and powerful look. Floral Neons are now available in 11 vibrant finishes, including the latest tones to join the Collection; Navy, Aubergine and Matt White for a subtler style.

Tracked and Corded

We can supply any of our 45mm/55mm poles tracked and corded. Please see the cording template in the price-list. Select your choice of pulley direction and send to the sales office along with your order or quotation request

Decoupage

We can cover our poles with the client's own fabric or wall paper. Please contact sales for information and we will advise

Nylon Strip

A nylon strip is an additional service that is fitted to the top of the pole to help your rings to glide smoothly when pulled. We recommend a nylon strip especially if your curtains are heavy or lined and interlined or if the client would prefer a quieter closure of the curtains.

Bay-pole

Our bay poles are carefully engineered to follow the unique form of your bay window. Available in 45mm/55mm diameters.
